PUBLIC NOTICES

...MAKE A DIFFERENCE

Everybody wants to know what's going on in their neighbourhood, whether it's the latest planning applications, changes to roads or alterations to public rights of way.

Now you could help shape the way people receive this vital information in the future. We would like to hear your views on whether the way this information is currently circulated works for you, or whether there are ways it could be improved or updated. We are setting up a special Sentinel Readers'

Panel to discuss the issue, and we'd love you to take part. It's quick and easy to have your say - we will email you occasional surveys about statutory public notices which will take only a few minutes to complete.

It's easy to join – sign up TODAY* at:
stokesentinel.co.uk/panel

The first 300 people to join our panel will be entered into a prize draw to win a £100 gift card.
